THE Twmbarlwm

HOT CROSS BUN WALK

Good Friday ~ 7th April 2023

It has long been local tradition for people to get together and walk to the top of Twmbarlwm on Good Friday – it's a tradition was waning a little but Cymdeithas Twmbarlwm Society has been promoting the event since we started over 12 years ago and more and more people turn up every year.

We don't expect everyone to join our organised walk but all will be welcome. We just want to encourage people to get up the Twmp, any time of the day, at their own pace, bring a picnic and spend a while enjoying the views and the mystery of this iconic mountain.

CTS members will be there offering Hot Cross Buns to all who get to the top, FREE (on a first-come, first served basis) – but we will gratefully accept any donations.

Hundreds of people enjoyed doing it last year. Join them in 2023

Show Your Support for Our Cause – Become a Member of Cymdeithas Twmbarlwm Society Today

Many visitors to our unique mountain, Twmbarlwm, are filled with admiration for its history, its beauty, the landscape and the views. But they are also often horrified by the apparent neglect and abuse by others who just don't care for their environment. Our society is trying to change all that, but to do so we need funds, volunteers and expertise - but most of all your straight-forward support – you don't have to attend all our events or lend a hand (but it would be good). If we can show, through our strength of numbers, that many people really do care then we gain a stronger voice in trying to achieve our aims.

Become a member today, show that you care!
