**Show Your Support for Our Cause and Aims
– Become a Member Today**

Many visitors to our unique mountain, Twmbarlwm, are filled with admiration for its history, its beauty, the landscape and the views. But they are also often horrified by the apparent neglect and abuse by others who just don't care for their environment. The Twmbarlwm Society is trying to change all that, but to do so we need funds, volunteers and expertise – but most of all your straight-forward support – you don't have to attend all our events or lend a hand (but it would be good). If we can show, through our strength of numbers, that many people really do care then we gain a stronger voice in trying to achieve our aims - ***become a member today, show that you care!***

Membership gives you:

- **free or reduced rates for entry to society events
(we organise various talks and walks),**
- **a monthly e-newsletter**
- **and most importantly, your fees will help us fulfil our aims to research,
restore and protect Twmbarlwm for future generations.**

DONATE

If you don't want to become a member you could still show your support by making a donation to the society – simply use the banking information given on the membership form overleaf.

We will be very grateful for any donations received to help us achieve our aims. You are not obliged to give us any personal information when you make a donation but it would be advisable to let us know that a donation has been made – any information will be held in the strictest confidence.
